Gentlemen - Suit and tie with hair appropriately groomed.

Ladies - A knee length Skirt with formal Shirt and skin colored stockings/pantyhose. Hair should be up or tied back if length exceeds your shoulder.

What to bring to the Open Day:

1. Updated CV (Curriculum Vitae) > Now, on the CV, make it clear and un-cluttered, if you've had any previous customer service experience then this is a very good idea to have at the top of your resume. Remember, if you haven't got any previous customer service experience it is not a problem, you'll probably strike them with something else! If they think they can train you in customer service they WILL DO IT!
2. 6 Passport Size (4.5x3.5 cm) Photographs > business attire, neatly groomed, looking gorgeous, no scarf, light make-up for women, non for men! and most importantly SMILE (even French citizens should smile on those Passport photos). A genuine smile will make the difference when your file is in that pile.
3. 2 Full Sized (10x15 cm) Photographs in Business Attire > Suit, white shirt, tie and shoes for men / Knee length skirt or dress with skin colored stockings (no scarf) for women. Those photographs will be presented a round table of judges back in Dubai as per the recruitment officer I had, so keep SMILING, give the best of you!
4. 2 casual Full Sized (10x15 cm) Photographs > those photos must be of you in a natural setting, casually dressed, not smoking nor drinking. Alone is best, if you haven't got any alone, then ones where the recruitment officer can recognize you.
5. 2 Colored Photocopies of your Passport
6. Photocopies of School Certificates
7. Photocopies of Parents Wedding and Birth Certificates
